

**MALAWI BUREAU OF STANDARDS**

*Promoting Standardization and Quality Assurance in Malawi*

## **PRESS RELEASE**

### **APPOINTMENT OF ACTING DIRECTOR GENERAL**

#### **Willy H Muyila**

The Board of Directors of the Malawi Bureau of Standards (MBS) would like to inform the general public that Mr. Willy Harrison Muyila has been appointed as Acting Director General of the MBS with effect from 13<sup>th</sup> December, 2018. This appointment has arisen following the expiry of contract for Mr. Davlin Chokazinga who has been Director General for 11 years. Mr. Muyila will act on the position until the position of Director General is substantively filled.

Mr. Muyila holds a Master of Science in Applied Chemistry with specialization in Industrial Chemistry from the University of Malawi, and a Master of Business Administration from the University of Waikato in New Zealand. Until his appointment as Acting Director General, Mr. Muyila was working in the MBS as Deputy Director General for the past 8 years. However, he has previously worked as Director of Testing Services and Scientific Officer (Testing). He therefore has 13 years of work experience with the MBS besides the 10 years he worked in industrial research and manufacturing sector. We are confident that Mr. Muyila will provide the necessary leadership at the MBS following this appointment.

The Board of Directors of the MBS would like to thank Mr. Davlin Chokazinga for professional services that he rendered to the MBS for a period of 29 years. The Board appreciates the sound leadership that Mr Chokazinga gave to the organization and the nation at large.

The Board would like to request the general public and members of staff of MBS to give Mr. Willy Muyila all the support until the position is substantively filled.
